Who is Taxco Payroll Service?

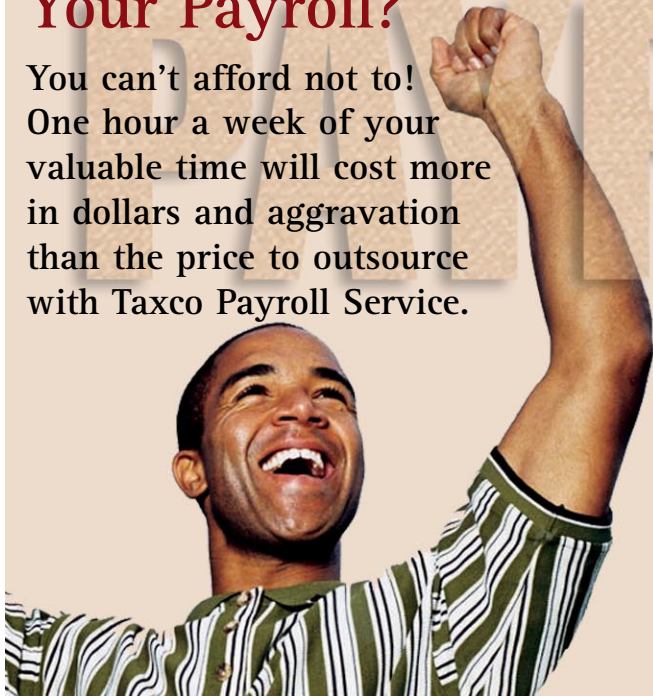

We've been servicing the Southern California Business Community for 27 Years. Our state-of-the-art Payroll System combined with the personal advice of our Enrolled Agents can save you money and time, giving you

A Tax(ing)-Free Situation

We have negotiated successfully with the IRS on behalf of our clients. We will do the same for you. You can always be certain your taxes will be done accurately and on time.

Why Outsource Your Payroll?

You can't afford not to! One hour a week of your valuable time will cost more in dollars and aggravation than the price to outsource with Taxco Payroll Service.

How are our EAs part of the Every Advantage Payroll?

Our EAs can help you turn your payroll into a management tool.

Beyond reports, our EAs can provide valuable management advice and facts about your payroll which can help you manage your business better. Reports can show you how much you are paying in salaries, commissions, overtime, sick pay, and benefits while identifying cash flow and expense trends in order to increase your profitability.

Our EA Can Help You in Other Areas:

- Corporate and Individual Tax Questions
- Effective Personal and Corporate Financial Planning
- Accounting Procedures
- All Tax Filings

Every Advantage Payroll
